

# VASE: FILA

**Design by**  
D. Debiassi & F. Sandri

**Description**  
The principal originality of these vases resides in the long, narrow opening which skilfully counters the imposing base. Flowers can thus be arranged in a single-file line of vegetation. In the low version in matt white porcelain, it could be seen as a stylised iron, whilst the large version in amber-tinted glass with mercury glass interior is like an ancient jar.
