

G21

Design by
Pierre Guariche

Description

The G21 floor lamp is the perfect source of targeted, intimate mood lighting. This model, designed in 1951 by Pierre Guariche, is composed of a metal shade which shields the eyes from the light source whilst directing the flow of light. The stem in lacquered brushed brass is directional, with a sliding peg which enables one to adjust its height for greater comfort. Floor lamp equipped with a painted aluminium reflector (white exterior and interior), a painted steel base and a satin varnished brushed brass structure. Inline dimmer (for use with compatible bulb). Requires an E 27 cap bulb (not included), max. 11 W dimmable LED. Equipped with a 2.5 m cable and europlug – class 2 – supply 220-240V 50/60Hz.
